## Power Procedure Chairs:

### 8677 Power Phlebotomy/ENT Chair

- Seamless upholstery with antimicrobial guard
- 24" low access height
- 375 lb. patient weight capacity
- 2 function hand control
- Self positioning armrests and leg section
- Reclines to 30° from horizontal
- Electromechanical actuator system
- Available in a variety of colors

### 8678 Power Phlebotomy/ENT Chair

- Seamless upholstery with antimicrobial guard
- 24" low access height
- 375 lb. patient weight capacity
- Power hi-lo and backrest
- ADA compliant, 19" low access height
- 2 function hand control
- Self positioning armrests and leg section
- Reclines to 30° from horizontal
- Electromechanical actuator system
- Available in a variety of colors

# Exam Tables/Chairs

## Economy ENT and Phlebotomy Chairs

### 8612 Economy ENT Chair

- Sturdy steel frame
- Seamless upholstery with antimicrobial guard
- Available in a variety of colors
- 360° rotation with swivel lock
- 10° elevation from supine position
- Manual foot pedal height adjustment
- Manually adjustable backrest
- Manually adjustable footrest
- Hinged arms
- 250 lb. patient weight capacity

### 8675 Economy Phlebotomy Chair

- Sturdy steel frame
- Seamless upholstery with antimicrobial guard
- Available in a variety of colors
- 360° rotation with swivel lock
- 10° elevation from supine position
- Manual foot pedal height adjustment
- Manually adjustable backrest
- Manually adjustable footrest
- Interlinked backrest and leg section for reclining patient to horizontal position
- Hinged arms
- 250 lb. patient weight capacity
