Call us for custom sizes and specifications on your storage needs!

## AkroBins:

- Multiple sizes and colors allow color coding (vertically and horizontally) and easy identification
- Molded of industrial-grade polymers
- Bins sit on shelves or hang from Akro-Mils panels, racks, rails and carts
- AkroBins stack securely to optimize shelf space
- Bins feature wide hopper fronts for easy access
- Available in 11 colors including clear

## Super-Size AkroBins:

- Perfect for organizing and protecting large or bulky items
- Heavy-duty bins stack securely atop each other or sit on shelving
- Molded of industrial-grade polymers
- Window inserts and dividers available for expanded storage options
- Available in 12 sizes and 4 colors: red, blue, yellow or clear

## InSight Bins:

- Provides easy and maximum visibility
- Can stack, sit on shelving or hang on Akro-Mils rails, louvered panels or ReadySpace Storage Systems
- Optional lids protect contents from dust - stack with lids in place
- No-tip feature when bins are stacked
- Large label area for part identification and bar code scanning
- Clear length and width dividers available
- Autoclavable
- Available in 4 sizes

# Storage/Organization

## ShelfMax Bins:

- 6" tall bins to increase storage capacity up to 85%
- Front opening is .75" higher than comparable products
- Superior, durable construction
- Width dividers keep items neatly separated
- Rolled ridge for added strength when filled
- Can be used alone or with Akro-Mil's open or closed steel shelving, wire shelving, bench racks, or pick racks
- 12 sizes and 6 color options: red, blue, yellow, green, white or clear

## Shelf Bins:

- Keep supplies neat and organized
- Create cleaner work areas
- Easy to label and color code
- Works with 12", 18" and 24" deep shelving
- Durable, one-piece construction
- Bins nest when empty for space saving
- 13 sizes and 6 color options: red, blue, yellow, green, white or clear

## AkroDrawers:

- Available in 9 sizes and 5 colors including crystal clear
- Colors made of high-impact polystyrene
- Crystal clear drawers made of durable acrylic blend
- Offered in 12", 18" or 24" depths to work with shelving
- Easy to label and color code inventory
- Wide front handles for easy gripping
- Dividers available to keep contents separated
- Drawers fit securely in cabinets or enclosed steel shelving for dust-free storage

# Storage/Organization

## Louvered Carts:

- Industrial-grade mobile workstation with a welded-steel frame and steel-reinforced butcher block work surface
- Available in two worktop sizes: 49”L x 24”W and 37”L x 18”W
- Made from 16-gauge steel with durable powder-coated finish
- Non-marking blue elastic rubber casters allow a weight capacity of 800 lbs.

## Super Modular Cabinets:

- Organize your AkroDrawers on specially designed stackable or wall-mountable cabinets
- AkroDrawers fit snugly on shelves so open top is protected from dust and debris
- Drawers hang securely from shelves by sturdy backstop tab
- 11” cabinets can be mounted to wall
- Durable powder-coated finish
- Weight capacity: 60 lbs 18” Cabinets; 75 lbs. 24” Cabinets; combined stack weight cap. 100 lbs

## ProCart:

- Versatile, all-purpose cart
- Deep, molded-in compartments keep small items in reach
- AkroBins can be mounted under cart using the 9-Rail System
- 11” Deep Super Modular Cabinets can be mounted on two rails under ProCart on either side or on one side.

# Storage/Organization

## Stackable Cabinets:

- Increased storage capacity for AkroDrawers
- Available in 2 sizes - one for 12" AkroDrawers and one for 18" AkroDrawers
- Optional 8" high base stands raise cabinets off the floor
- Durable powder-coated finish
- Units can be safely stacked up to three high

## Quick-View Security Bin Cabinets:

- Lexan™ door panels allow easy viewing
- Keyed handle with 3-point locking system for total security
- Purchase as complete kit using AkroBins or TiltView Bins
- All-welded 16-gauge steel construction
- Keyed handle (2 keys included)

## Akro-Grids:

- Lightweight grid containers can be customized with optional lengthwise and crosswise dividers
- Great for organizing items and creating kits of items that are used together
- 4 colors available for color coding
- 9 sizes; same footprint models are stackable
- Also available in clear

## System Bins:

- Convenient 6-bin unit
- Unique-one piece design, 33"W x 5"H
- Wide hopper front allows for easy access
- Smooth surfaces are easy to fill, handle and keep clean
- Designed to fit in cabinets, drawers and on 36" wide shelving
- Cost-efficient alternative to flimsy cardboard boxes
- Optional dividers available

# Storage/Organization

## Stak-N-Store Bins:

- Stacking bins are ideal for large, bulky items
- Eliminate corrugated containers from storage areas
- Same size bins can be stacked atop one another on flooring or shelving
- Easy to label
- Available in 3 sizes and 5 colors: red, blue, gray, white or clear

## Secure Mini-Cabinets:

- Lockable cabinet provides secure storage
- Wall mountable
- 4 adjustable shelves w/ fully louvered panel built into back for hanging AkroBins
- Available with quick-view door or solid door
- Foam gasket around door frame seals out dust
- 18-gauge steel cabinet has a welded frame and durable powder-coated finish

## 19-Series Steel Storage Cabinets:

- Great for organizing dental or lab supplies
- Helps to keep inventory accurate and dust-free
- Clear windows provide easy visibility of contents
- One model available with a locking door
- Stackable, wall mountable or can be used on 36" wide shelving
- Steel frame with full steel shelf under each row of drawers
- 5 drawer colors: red, blue, black, yellow, gray

# Storage/Organization

## ReadySpace Storage System:

- Offered in 3 configurations: wall unit, bench unit, and mobile floor unit
- Customer-friendly appearance
- Keep supplies organized and readily available
- Utilizes valuable floor or wall space that might otherwise be wasted
- Bench and mobile floor units can create a privacy wall where needed

## Louvered Panels/Bench Racks:

- Offer the ultimate in storage flexibility
- Secure stationary racks to the wall or floor and wall-mounted panels to a solid structure
- Models are available to accommodate up to 288 AkroBins
- Formed from 16-gauge cold-rolled steel for strength and durability

## 1800 Series AkroBins:

- Storage system for long and bulky items
- Strong, durable-molded of industrial-grade polymers
- Stackable with reinforcing ribs to prevent spreading under heavy loads
- Front and back finger grips for easy handling
- One black width divider included per bin

# Storage/Organization

## Suture Carts:

- Open wire design and slope of shelves allow instant identification and reduces dirt and dust build-up
- Chrome plated wire shelves, including 3 dividers
- Easy assembly without any tools
- Provided with 4 or 5 wire shelves, each adjustable on 1" vertical increments
- All shelves and truss braces are chrome plated.
- Posts are chrome plated with a 1" diameter and 16-gauge steel tubular wall
- 5" chrome plated swivel casters
- Optional additional dividers and shelves available

## Cassette Transfer Carts:

- Patented QuadTruss® design makes shelves up to 25% stronger
- Ideal for transport for any hospital with a unit dose medication system
- Up to 8 cassettes, in variety of sizes can be stored on the cart
- Cart has safety edges, free of bacteria-gathering crevices
- Dolly frame with wraparound bumper
- 6" casters
- 3 - 24" x 48" chrome-plated wire shelves mounted to dolly base
- Enclosure panels provide support transporting cassettes safely
- Overall dimensions: 29 3/4"D x 52 7/8"L x 71 3/8"T
- Other sizes available

# Storage/Organization

## Burn-In Carts:

- Ideal for use as simple testing and preparation station for electronic products
- Also for transporting products to and from testing areas
- Includes four 24" x 60" shelves
- Shelves feature QuadTruss® design making shelves up to 25% stronger and provide built-in retaining ledge
- 5" diameter swivel casters with resilient tread and donut bumpers
- Power harness is standard and features 4 full-length strips (1 per shelf, each w/ 9 outlets) and NEMA 5-15P plug. Single and 4 strip replacement power harness available

## Linen Carts:

- Carts can be altered to meet changing requirements by adding or removing accessories. Any number of combinations can be made to customize any linen cart for specific use
- Numerically calibrated grooved posts, tapered split sleeves and shelf collars combine to make shelving assembly a simple 2-step exercise
- Open-wire construction promotes higher visibility by allowing light to pass through the shelves, permits greater air circulation which helps reduce dust and contamination build-up, and increases the effectiveness of fire-suppression systems
- Posts are numbered on vertical 1" increments to ensure fast and level assembly
- All components are chrome-plated

# Storage/Organization

## Catheter Procedure Carts:

- QuadTruss® design makes shelves up to 25% stronger and provides a retaining ledge for increased storage stability and product retention
- Combination of hooks, shelves, and tote boxes give the versatility to hold all sizes and styles of catheter packages
- Adjustable components, shelves are vertically adjustable on 1" increments
- Hooks, shelf dividers, and tote boxes allow for easy organization
- Label holders provided to help in organization of inventory
- 5" diameter swivel casters with polyurethane tread, 2 with brakes

## Inhalation Therapy Carts:

- QuadTruss® design makes shelves up to 25% stronger and provides a retaining ledge for increased storage stability and product retention
- Top and bottom inserts are PVC coated for noise and vibration reduction
- Chrome finished handles, frames, and bottom shelf
- Aluminum split sleeves and conductive casters reduce static and electrical charge
- Each PVC-coated insert has 12 compartments, each measuring 4 1/2" square
- UL-recognized 5" diameter conductive casters, 2 with brakes
- Easy assembly and adjusted without use of tools

Don't forget to ask about our 100% polyester cart covers to prevent airborne contaminants from resting on cart items!
